DIGITAL VITRIFIED TILES

Glossy tiles have shiny surfaces and have an enamel coating that reflects light. Glossy tiles are ideal for small areas, as they make any area look brighter and more spacious... These tiles are available in 800x2400mm and 1200x1800mm.

Matt tiles are perfect for imparting a traditional look to any space. Matt tiles are a preferred material for outdoor applications due to their anti-slip feature and durability.
